Working Spouse Additional Contribution

Applies to associates who choose to cover a spouse under the UC Health medical plan when the spouse has medical insurance coverage available through his/her employer but chooses not to enroll in that coverage.

Refer to the Working Spouse Asked & Answered Questions for more information.

Tobacco User Additional Contribution

Applies to associates, their spouse and children who use tobacco products and are covered under the UC Health medical plan.

The tobacco additional contribution is capped at \$165.00 per bi-weekly pay if three or more covered family members use tobacco products.

Refer to the Tobacco Additional Contribution Asked & Answered Questions for more information.

Dependent Verification Documentation

UC Health requires that associates provide documents to validate all dependents enrolling in any UC Health benefits (also applies if the associate removes a dependent from the plan and then re-enrolls the dependent at a future date).

This requirement is part of an important initiative to ensure legal compliance and good governance, and is intended to aid in our continuing efforts to control healthcare costs.
