Auto and Home Insurance for Ohio Nurses

EXCLUSIVE—\$500 personal property coverage

You can receive up to \$500 for any non-electronic personal property stolen from your vehicle—whether it's locked or not! This coverage is yours at no extra charge.

EXCLUSIVE—Reduced deductible benefit*

Your deductible is reduced up to \$500 for collision and vandalism that occurs while parked within 500 feet of the facility where you're employed as a nurse.

EXCLUSIVE—Holiday skip payment option

To help you manage your money during the winter holidays, you can take advantage of one of our skip payment options. You won't have to make any insurance payments during the time you choose.

Generous discounts

We offer you many money-saving opportunities to lower your rate—including multi-policy discounts, our Good Student Discount and even special discounts for mature drivers.

EXCLUSIVE—ID Defense

If your identity is stolen, you receive unlimited one-on-one expert guidance to help you resolve the problem, as well as credit monitoring, credit reporting and fraud monitoring—at no additional cost.

Rates locked in for a full year

Once insured, your low rate is locked in for 12 months—even if you have a claim. That's twice as long as the rate guarantees offered by other companies.

Towing and roadside assistance

Make sure you or your family members are never stranded. For a small additional fee, you can get coverage for towing to the nearest repair facility and roadside assistance with flats and other simple repairs.

Online account management

Sign up to go paperless, and you'll have access to your account 24 hours a day to make managing your coverage more convenient. Print important documents, make changes to your policy and file minor claims—all online.

Broad policy protection

Your policy automatically covers anyone driving your vehicle with your permission. And it protects you while driving other vehicles—borrowed or rented.

24-hour, emergency claims service, located in the USA

File claims quickly and easily with our USA-based representatives, who are available to assist you 365 days a year.
